## Alumni House East

---

Alumni House East accommodates groups up to 15 people. This 100-year-old Victorian home has been preserved and is a favorite accommodation for small group retreats and reunions.

Alumni House East is the east half of an officers' housing duplex built in the 1900's. The upstairs has five bedrooms and two bathrooms (toilet paper is provided) with clawfoot tubs. One bathroom includes a tub with shower. The downstairs has a living room, a dining room, a butler's pantry, TV room and a kitchen. There are staircases at either end of the home. A wrap-around covered front porch completes this accommodation.

The bedrooms have varied bed arrangements and include bunk beds, twin beds, double and full beds. Linens are not provided, however linen packets are available to rent. Each packet contains one blanket, two sheets, one pillow and pillowcase, one towel and washcloth.

The kitchen is equipped with standard household appliances, including a 4-burner electric stove & oven, coffee maker and microwave. Basic cooking and baking equipment, serve ware and table settings for 15 people are also included. A few dish towels are provided, but for multi-night stays it is wise to bring extra towels. Casey does not provide kitchen paper products.
